

SWC Clubhouse at Waterbury Center, VT

The Clubhouse is located about 4 miles north of I-89 on Route 100 in Waterbury Center, VT. It is a large white building on the right side of the highway going north with the letters SWC on the front wall. It is just past the Cold Hollow Cider Mill and is 6 miles south of Stowe the "Ski Capital of the East". It is in easy driving distance of Bolton Valley, Sugarbush, Mad River Glen, Jay Peak, Smugglers Notch and Burke Mountain. There are also excellent opportunities for X-C skiing on maintained trails at The Trapp Family Lodge, Edson Hill Manor, Top Notch and The Stowe Mountain Resort as well as right out our back door or around the Waterbury Reservoir. All of these areas have ski rental and preparation facilities as well as instruction.

In the Spring the area has many "Sugar-Bushes" and sugar houses where maple syrup is produced and for sale. The Spring also is a good time for hiking, paddling, biking and sightseeing.

In the Summer, hiking, biking, paddling, shopping and sightseeing are available in the immediate areas surrounding the Clubhouse. Waterbury Lake provides an ideal watersports opportunity.

The Fall brings a spectacular foliage display for sightseers and hikers, while the SWC Clubhouse crew busily prepares the Clubhouse for the new ski season.

The Clubhouse is a rehabilitated three floor 1870's Vermont farm house. The first floor houses the Fireplace, Dining Room, Kitchen, 4 bedrooms and the ladies room. The Second floor houses 7 bedrooms and the men's room. The attic (third floor) houses two dorm rooms and a half bath.
