

Welcome to the Schenectady Wintersports Club's (SWC) Clubhouse!

SWC owns a Clubhouse in Waterbury Center, Vermont that is maintained for the use and pleasure of its members. Such an operation has a number of usage requirements and potential problems. The following is given to be helpful to new members.

First, it is emphasized that you have become a new property owner. True you have many partners, but with this comes responsibility. When you are at the Clubhouse you are not just visiting, you are staying at your Clubhouse. Treat it as your home and above all protect it from any damage. You are responsible for the actions of any of your guests or family so please make sure they treat the building as you would like them to treat your own house.

The Clubhouse is an old building - we want to protect the health of the building and those who stay there. **No smoking or Pets** inside the building. Safe fireplace usage habits are a must. Inform your guests of these requirements. When you are about to leave the fire place room empty, you must close the fireplace doors. Please read the fire starting instructions on the mantel.

How can you assure responsible behavior of your guest if you are not present? That is why we have a rule that guests are permitted only in co-attendance with their member host. Don't give guests the House Door Combination. Limit the number of your guests to two or three people per host member.

The Clubhouse can be busy and **you must make reservations any time you plan on using the Clubhouse**. This will establish your priority to a bed and let the Host know that you will be there so they can plan for your meals. You should use our on-line reservations system accessed through our web site www.swcweb.org with Firefox as the web browser (free download link on site). If you do not have internet access or if you have questions about creating an ID and password or using the reservation system, please contact the Reservations Chair:

SWC Clubhouse STATEMENT OF POLICY
WATERBURY CENTER, VERMONT

- The Clubhouse is for the use of SWC members. Members may invite guests to accompany them at the Clubhouse. The member is responsible for guests and their actions. There are to be no unaccompanied guests at the Clubhouse.
- Children are welcome - parents are responsible for their behavior
- **All members and guests must sign in when arriving at the Clubhouse**
- **No Smoking or Pets are allowed anywhere in the building**
- **You must make reservations any time you plan on using the Clubhouse.** This is a year round requirement, summer and winter seasons.
- Members have priority over non-members for reservations
- Only a member may make reservations for guests
- Each member is allowed up to 3 guests at a given time and is responsible for guest behavior and payment of assessments. Contact the House Director for arranging special group stays.
- **Do not give non-members the door combination.** Any non-member who is in possession of the door combination is considered to hold stolen club property. Any uninvited non-member entering the Clubhouse is guilty of trespassing subject to prosecution.
- Reservations are made on-line, at www.swcweb.org for **any time you plan a stay** at the clubhouse, including special events. For special hosted events you should also contact the host – see the Chatter for details of events. You can contact the Reservations Chair with questions on the process or if you do not have internet access.
- When making reservations, a declaration of any meals not to be taken must be made. This ensures economies in food purchases and preparation.
- Couples' rooms with one double bed may be reserved for members only. Members have a priority over non-members for couples' rooms. There are three (#14, #23 #24) plus Chairperson's (#13) couples rooms.
- If you are in a couples' room as a single, you must relinquish it upon a request of a member couple. Please be considerate and volunteer without being asked. Best -- don't take couples rooms.
- Weekend Hosts are the supervisors of “volunteers” who share in the work required to feed and make comfortable all those registered. Everyone is expected to “pitch in” when needed. This is a cooperative experience where no one is over-worked nor anyone not contributing.
- Please gather up your empty personal containers such as wine, beer, and soda bottles and cans and take them home to be recycled, or place them in the recycle bin at the rear of the building.
- We strive to keep our assessments as low as possible. It's incomprehensible that anyone would “duck” paying their share in the “honor system.” It is your honor on the line. But it does happen. Should a member be found in arrears, he/she will be denied further reservations at the Clubhouse, and further membership at dues paying time.
