Looking for Moose in all the wrong places...

Ellen and I have a little hobby, looking for moose. Yes, we are on all the Facebook groups, DEC sightings, and any news reports looking for the animals, but they continue to be elusive. Yesterday was a drive back into Moose River plains, great scenery, and pictures, but no large members of the deer family. New York has about 500 resident moose, but as of yet, the best we have done is seeing tracks. We have even taken our efforts to Maine and New Hampshire without success. Luckily, a recent two-week trip to Alaska did give us a chance of multiple sightings in Denali.

Now for my other hobby, what is new with the club. We have the work weekend coming up November 4 and we will be doing minor maintenance, biking, and however you want to spend the afternoon. We have the Bombers weekend, December 9. Instruction for all levels and discount Stowe tickets. And we are planning an open house Presidents week with all kinds of nightly activities for families and any other winter enthusiast. Start planning your winter getaway, we have heard that some members are concerned about availability at the house, book it now and if plans change refunds are available minus the Pay Pal fee.

Hope to see you soon make a reservation, or send me an email.

Most people have Epic Passes and do not need tickets. So, I was not able to get a group rate for the Clinic.

But the good news is that you can get a three-day Epic Day Pass for only \$216 if you purchase before October 9.

*The web address for the Day Pass is: <https://www.epicpass.com/passes/epic-day-pass>. You must choose the **non-holiday and 32 resort options for the \$216 rate for 3 days**. If you think you will be skiing more days at Stowe, the daily price goes down. This is a great deal as the walk-up price is going to be close to \$200 for holiday skiing.*

I don't have the exact lift ticket prices, but I am sure they will not get much below \$100 if they make it that low during the season. Give me a call and we can talk about this.

Email me at wkornrum@nycap.rr.com or call at **518-209-3244** if you have any questions or have special needs such as more than two in a room or specific room requests and I will try to accommodate you.

Remember, your **final payment is due by Nov 15th** and the **deposit is only refundable until Nov 15th**.

We're looking forward to seeing you back. Spread the word to invite new participants!

Clubhouse Work Weekend Nov 4 - 6

By Bill Kornrumpf

Our first fall Clubhouse work weekend is officially from Friday, November 4 through Sunday, November 6. In order to register, you need to do two things to let us know in advance. Make your room reservation using the clubhouse reservation system, and make sure you email both Ellen Bidell at ebidell@yahoo.com and me at wkornrum@nycap.rr.com so that we can include you in the attendance list.

Some of us will be going up earlier to get some recreation in if the weather is good. If the weather is not great for outdoors recreation, we will make an early start on the list of tasks. Feel free to join us any time starting Wednesday, November 2. We have a full list of projects. so come on up, the stay is free, and the meals are always great!

If you have a project suggestion, email me at wkornrum@nycap.rr.com or text me at [518-209-3244](tel:518-209-3244), and I will put it on the list. I'm happy to say we are not planning on any major structural projects this year. No new bathrooms or complete reworking of bedrooms! We have a list of smaller projects that were deferred while we completed major work during the last two years.

Put it on your calendar and come on up! There is always lots to accomplish.

Hosts Wanted

by Ellen Bidell

During the ski season, volunteers serve as hosts at the SWC lodge, creating the menu and shopping for ingredients, greeting guests, starting the fire, preparing meals and cleaning at the end of the weekend. Some hosts have created theme weekends around a holiday, sport or activity. You can decorate, create special menus or group outings, whatever you choose.

A few people have told me they are intimidated by the idea of being a host, particularly because of the cooking. Here are a few hacks to make it easy:

- Prepare the meal ahead of time and freeze it. This gives you more time to enjoy the mountain!
- Guests only pay \$10 for dinner, so if spaghetti and meatballs, a bagged salad and a pre-made cake are more your skill level, that's okay.
- Chances are there will be someone who likes to cook at the house, so enlist their support.

Some hosts create a sign in sheet for the tasks that are expected of guests:

- Prepping meals
- Washing dishes
- Cleaning
- Tending the fire

We would like to have most weekends hosted during the ski season. So, what do you get for hosting?

- You stay for free during your hosted weekend
- You will earn a free weekend for two over the next year (or any four nights of your choosing)

Don't want to host but still want to help when you are there? You can do a thorough cleaning at the end of the weekend and you get a free weekend for one.

Contact me at ebidell@yahoo.com to select a weekend to host or to learn more.

Cleaner Needed

We are still having trouble finding a Cleaner for the SWC Lodge.

If you are interested, or know someone who could be interested, please contact Ellen at ebidell@yahoo.com.

93rd Annual Thanksgiving Breakfast

The breakfast event will be held at the Christman Bird and Wildlife Sanctuary, 3281 Schoharie Turnpike, Delanson, NY 12053, on Thursday, November 24.

This carry-in, carry-out event starts at 8am, serving pancakes, sausages, and coffee or bring your own breakfast along w/ plates and eating utensils.

If you attend, please help the organizers carry in the breakfast items, and have a good time!
